

Cody L. Ward

| Grand Ledge, Michigan 48837 | (269) 331-9940 | WardCX90@gmail.com |

OBJECTIVE

To assist in the growth and professional reputation of an organization by fully utilizing my skills to complete tasks at the highest level of quality and efficiency. To be part of a team who functions in a challenging and deadline oriented environment, and recognizes dedication and hard work, and is also fully commitment to being the driving force behind innovation and success.

WORK EXPERIENCE

IBM CORPORATION <u>Application Developer</u>	East Lansing, MI	Jul 2013 - Current
Project 1	LIMITED BRANDS – Java Developer Re-engineered a partially finished self-registry tool using Java .	
Project 2	WORKDAY – Developer Went through the KT process then was transferred to Project 3.	
Project 3	IBM WATSON RESEARCH – Developer/Tester Took a two-week course on Ruby . After that, I learned about how JavaScript worked in the IBM Process Designer . I helped write a script using JSON to validate if a user's input was valid. After the validation task, I worked as an Automated Tester using Cucumber scripts written in Gherkin and Ruby to test on the Watir webdriver.	
Project 4	SAMHSA – Front-End Developer/Drupal Currently onboarding.	

OLIVET COLLEGE <u>Office Manager, Graphic Designer</u>	Olivet, MI	Nov 2008 - May 2012
